

Enterprise of Self How to get control back of your life [S001]

Objectives:

When one wants to take a hold on ones' life, it more prudent approach is to view life holistically. Thus in order to create success in for example ones' financial area of your life, it is important to have an understanding of all the other areas of ones' life, as it impacts the financial growth directly. In view of this, the delegate is taken on a personal inward journey, to take stock of what they have achieved and, more importantly, who they are and what they would like to spend the rest of their lives achieving or becoming.
